

Classes

Robins

Robins' Class has children in reception (Foundation Stage 2) and year 1. They have a lovely outside play area, where they can draw, play games, explore in the sand tray and construct large structures with the building blocks. Their home corner changes each term and has been a garden centre and space station. Robins' class teacher is Miss Vaughan.

Woodpeckers

Woodpeckers' Class are based in the main building and have children in years 2 and 3. Their class teacher is Mrs Lapham. Woodpeckers have a lovely classroom and access to ten laptops in the hall as well as three PCs in their own room. Like all the classes, Woodpeckers have an interactive digital screen, which helps both teaching and learning.

Owls

Owls' Class is next to Robins and has children in years 4, 5 and 6. They have lots of different responsibilities in school and always try to look after the younger children and be good role models. Owls' teacher is Mr Edwards, our Assistant Head. They have a residential visit each year to a PGL site. This year they are going to Little Canada on the Isle of Wight.
